Dear Sir/ Madam,

I, Mr. Vinodkumar Gandhi currently residing at Malegaon in the state of Maharashtra, India.

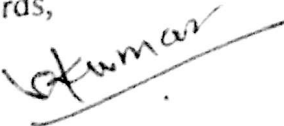

I do have my own business of spare parts. This is to confirm that my son Mr. Bhavesh Gandhi bearing Indian passport number L5749095 would like to travel to USA to visit my sister-in-law's daughter and her husband who is on H1B visa, to spend some good time and to visit some famous places in USA.

During the visit my son will sponsor for the trip and accommodation will be provided by husband of my sister-in-law's daughter. If required, I also support him financially and don't have any objection for him travel to USA.

I could not accompany, I am busy with my business work.
